Pick One!

Adults: Where are you being called to grow in your Faith? Forming our Faith is life-long. Review our options below for this Fall, and then pick one and sign up. You won't regret it!

Do you understand the meaning behind the parts of the Mass? Would you like a richer, more fruitful worship experience?

In this video-based study A Biblical Walk Through the Mass, Dr. Edward Sri explores the roots of the words and gestures we experience at Mass and explains their profound significance. In this study, you will come to know and understand the Mass as never before. See, perhaps for the first time, why we say what we say and do what we do every week at Mass, giving new life to the liturgical experience.

How do we talk about morality in a world that no longer believes in truth? When we're bombarded with messages of "Be tolerant!", "Don't Judge!", and "Coexist," many good people feel afraid to say anything is right or wrong anymore.

This 8-part study program gives us the one key to responding to relativism effectively: a Catholic moral worldview. Learn how Catholic morality is all about love, how making a judgment is not judging a person's soul, and how, in the words of Pope Francis, "relativism wounds people" and is "the spiritual poverty of our times."
