

January Speaker Series - Save the Date

January 16 and January 23 7-8pm

Join Us! Do you ever feel like your Catholic moral worldview is being questioned? Don't know how to respond to a society that seems to no longer believe in truth?

As a follow up to our Fall Study on Relativism, Parishioner John Bursch will be here to speak to all of us on the topics of moral relativism as it relates to same-sex relationships, transgender identity, and the beauty of God's plan for marriage and human sexuality. This is open to all adults of the Parish. Please pre-register if you need childcare. Join us in the Holy Family Center January 16 and January 23 from 7-8pm for two engaging, insightful evenings. Any questions, please contact Gail Schwartz at Adultff@holyfamilycaledonia.org.
