

Confirmation Recommendation Letter Instructions

Please write a Letter of Recommendation to Father Loc regarding the Candidate you are sponsoring. This is a chance for you to share what changes and growth has occurred in the Candidate during the discernment period. It doesn't have to be anything fancy, just your thoughts and feelings about what you have accomplished together. This letter is due by February 15, 2019.

The letter needs to include the following:

1. Summary of your service project

Service project is something you and your Candidate do together as an outreach. It is important to do a service project during this time because of the discernment process. Faith in Action is important as Catholics. By serving others, we are fulfilling our baptismal call.

2. Summary of your hour of Adoration or hour of prayer in the chapel

3. Describe your time together researching a Confirmation name

4. Interesting observations you may have experienced during this discernment process

5. Your opinion on the teen's openness and readiness for the Sacrament of Confirmation

You may submit the Letter of Recommendation by mail, fax (891-1346) or email to youthministry@holyfamilycaledonia.org. Please put *Sponsor Letter* in the subject line.
