

# GRADES 5 – 9

## A NIGHT OUT AT

### 3 MILE PROJECT

Plan to meet up with other Holy Family youth and their friends at **3 MILE PROJECT!**

**It's only \$5  
for 3 hours of fun!**

Ninja Course, sports courts, theaters, a skate park, craft/project room, video games, table games, and a cafe.

**GRADES 5 & 6: THURSDAY, AUGUST 23 6P-9P**

**GRADES 7-9: WEDNESDAY, AUGUST 22 6P-9P**

#### HOW THIS WORKS:

- All students will be dropped off right at the center.
- Students **MUST** have the one-time registration form completed (unless you have completed it in a previous visit) and \$5 entry fee to enter. Friends welcome, but need form & \$5. Registered visitors will receive a membership card which will provide them access to our facility. The registration form can be printed by clicking here. [http://3mp.org/docs/visitor\\_reg.pdf](http://3mp.org/docs/visitor_reg.pdf)
- Parents aren't allowed to stay. 3 Mile Project provides all supervision as we are showing up during their regular student public hours. Whitney Cunningham will be there to meet the kids and get to know them, but other adults must have been through their screening & training.
- Holy Family is not responsible for the students – 3 Mile Project is.
- Athletic Shoes are needed for the 3 Mile Ninja course.
- No exceptions allowed for grade/age and the scheduled night per 3 Mile Project rules.

**3 Mile Project is a Safe, Inviting, and Exciting place designed just for youth. It is a Christian environment; be sure to check the rules for attire and behavior on the registration form.**
